To be struck by the arrow of weakness
On the gilded path to forgiveness
To find my way home when the morning comes
To stay your friend when it's all said and done

Simple as lightning starting wild fire
Just down from a trip off my high wire
Just coming home to walk my own floors
Coming home to the one I adore

Appaloosa, appaloosa Appaloosa, appaloosa
Take me home, Where I can dream my days away

We took your tears back to the river
Knowing all the while there'd be more later
So it goes in a rainy day town
C'mon and won't you let me lay you down
