On the edge the precipice,  
Ask myself am I good enough for this,  
I don't think I can last any longer.  
I wish I was stronger,  
For you.

I'd do anything,  
I'd do anything yeah,  
For you I'd do anything,  
I'd do anything.

I'm no Hercules,  
You can see me, yes I bleed.  
I can't lift the world on my shoulders, (x2)  
I'd do anything,  
But I can't do everything,  
Forgive me please,  
I love you,  
But I'm no Hercules.

Lately trying hasn't been good enough,  
You want results but I'm not up to par,  
Am I what you need,  
Or am I temporary,

I'm no Hercules,  
You can see me, yes I bleed.  
I can't lift the world on my shoulders, (x2)  
I'd do anything,  
But I can't do everything,  
Forgive me please,  
I love you,  
But I'm no Hercules.

For you.

I'd do anything,  
I'd do anything yeah,  
For you I'd do anything,  
I'd do anything.

I'm no Hercules,

You can see me, yes I bleed.  
I can't lift the world on my shoulders, (x2)  
I can't do anything,  
But I can't do everything,  
Forgive me please,  
I love you,  
But I'm no Hercules.
