And I wonder how i,
Ever got over you,
I, Don't mean to,
Bring it up again,
But I need you most,
And I remember when,

Skies were always brighter,
When you were around,
No one could ever,
Make my heart pound,
Like you could.
Cause it was always you and me,
And the melody still lingers dear,

Cause it feels so good,
To be alive,
When my heart rates in,
The adrenaline,
And you take me,
To a whole new high,
When you touch my skin,
The adrenaline,
Won't die.

Even over conversations,
In the middle of the night,
Brings me to a point, your,
Voice controls my mind,
Baby your golden,
I don't deserve your time,
I'm not a dream but I oh still,

Cause it feels so good,
To be alive,
When my heart rates in,
The adrenaline,
And you take me,
To a whole new high,
When you touch my skin,
The adrenaline,
Won't die.

Oooooooooo, (x6)

and it, feels so good,
To be alive,

And you take me,
To a whole new high,

and it, feels so good,
To be alive,

When my heart caves in,
The adrenaline,
Won't die.
