I took you to the place,
It was bigger than I thought,
We was actin together,
But we were blown apart,

I said should I come in,
But you said no way,
I didnâ€™t know what to do,
I didnâ€™t know what to say.

Jessica, I was a kid, I was pretty shook up.
Jessica, I fight myself finding you on Facebook.
Jessica, I was a boy, but I am a man now.
Jessica, I should have been, been there to defend ya.
Iâ€™m feeling guilty â€™cause im pretty sure I ruined
your life.
(ooh bop bop, bop bop â€™ ooh bop bop, bop bop)

I heard you got it good,
From all your sisters too,
They made it about them
When it was about you

Your mom was so naÃ¯ve,
I bet she didnâ€™t even know
And if your daddy did,
Theres no way that heâ€™d show

Jessica, I was a kid, I was pretty shook up.
Jessica, I fight myself finding you on Facebook.
Jessica, I was a boy, but I am a man now.
Jessica, I should have been, been there to defend ya.
Iâ€™m feeling guilty â€™cause im pretty sure I ruined
your life.
(ooh bop bop, bop bop â€™ ooh bop bop, bop bop)
