### Verse 1:

Why do I keep on worrying myself  
Cause you don't care  
It couldn't be more clear  
I'm drowning again, it's always sink or swim  
This labor of love  
Made a million tears  
But I'm drivin by the wrong you do  
So inspired by you  
Wanna stick around let you weigh me down  
You keep pushing me out

### Chorus:

And my restless heart  
It only beats for you  
You gotta play your part by doing what you do  
And I know it sounds crazy  
And ya driving me crazy  
But you make my world go round  
And round, and round  
Got me  
Swimming in the Blue, ooo ooo ya got me  
Swimming in the Blue, ooo ooo ya got me  
Swimming in the Blue  
Beautiful Blue

hmmmmmm....

Listen

### Verse 2:

I aint no happy lucky gal being wit you  
But I can make it through whatever  
My tactics are so clever  
So re-up on ammo baby  
Throw a bomb of ambition at me  
Take me underneath  
Where I wanna be  
I'm in way too deep

### Chorus:

And my restless heart  
It only beats for you

Ya gotta play your part by doing what you do  
And I know it sounds crazy  
And ya driving me crazy  
But you make my world go round  
And round, and round  
Got me  
Swimming in the Blue, ooo ooo ya got me  
Swimming in the Blue, ooo ooo ya got me  
Swimming in the Blue  
Beautiful Blue

Bridge:  
I can't shake this addiction  
Though I've tried  
To move on with me life  
It just don't work  
I need more  
More of you  
Ohh your beautiful  
And ya got me so blue  
And my restless heart  
It only beats for you  
Ya gotta play your part  
Keep doing what you do  
Ya Got Me

Chorus:  
That beautiful Blue  
Such beautiful blue  
And I know it sounds crazy  
Ohh you got me drowning over you  
You oooo  
You oooo  
Whoa.....  
You ooo  
You ooo  
Beautiful Blue
