Verse 1:

Still don't believe it I'm counting my blessings
Nothing could move me not anyone
They say that love is diamonds and silver
Fire and water you put me out
Under the spotlight nothing but angels that lie like the
devil
I've heard it all
Paying the price for saving myself
I'm out of the question
Unstoppable

Chorus:

This kind of love is just like a river
Running me down your unstoppable
Pieces of you are making me weaker
Just like a drug your unstoppable, yeah
You are Unstoppable
Unstoppable, yeah
You are Unstoppable

Verse 2:

Days and the nights all turn into one space
My heart is pounding like a thunderbolt
Strike me like lightening
Reign over my soul
Tears like the rain their so beautiful
Time to step back from tragical kingdoms
Losing myself in a bitter world
Treading on water I'm only drowning
Into your shelter
Unstoppable

Chorus:

This kind of love is just like a river
Running me down your unstoppable
Pieces of you are making me weaker
Just like a drug your unstoppable, yeah
You are Unstoppable
Unstoppable, yeah
You are Unstoppable

Bridge:

Just like a star over my head
You shine and light my way
Never could reach up high enough
Without you I am lost
All of my fears turn into dust
And my wall comes tumbling down
Never believed in anyone
Now I believe your unstoppable
Unstoppable
Ohh yeah
Unstoppable
Unstoppable

Chorus:

This kind of love is just like a river
Running me down your unstoppable
Pieces of you are making me weaker
Just like a drug your unstoppable, yeah
You are Unstoppable
Unstoppable, yeah
You are Unstoppable
