"Your Own Sweet Way"

There is nothing I can do
Nothing I can say
You'll do what you want to
Go your own sweet way

You'll go your own sweet
Your own sweet way
You'll go your own sweet
Your own sweet way

Now I can talk to you serious
I can talk to you nice
When it comes to love
You won't take good advice

You'll go your own sweet
Your own sweet way
Yeah, you'll go your own sweet
Your own sweet way

It doesn't matter what I say
What I do or what I think
You can lead a horse to water
You can't make him drink

You'll go your own sweet
Your own sweet way
I said, you'll go your own sweet
Your own sweet way
