"Cancer Can't"

Visit "[Cancer Can't](#)" on MotoLyrics.com

you have your love and dreams forever
you have your mind and soul forever
so just stick with yourself
and never leave your side
cancer cannot take your soul away
cancer cannot make you shout hooray
but one thing to keep in mind
is what cancer can't do
it cannot kill your dreams
it cannot make you not believe
so just stick with yourself
and never leave your side
cancer cannot take your soul away
cancer cannot make you shout hooray
but one thing to keep in mind
is what cancer can't do
cancer, cancer can't do
