I paint my lips
I paint them red
I don't wanna go to bed
I'm gonna rule the city and all its lights
I'm not gonna sit inside
Shut my mouth girl up and hide
The world's my oyster I'm gonna grab all of it's fruits

I'm gonna paint the town

It's time for me to say goodbye
Don't care if you start to cry
Just dust your ass off join me on a joyride

You cannot keep me from my life
I am not your little wife
But partners in crime makes life more appealing

What a feeling, as I paint the night away

[CHORUS]

I'm gonna paint the town
Turn it all upside down
Don't care what you say
I'm gonna do it anyway

I'm gonna paint the town
Turn it all upside down
Don't care what you say
I'm gonna do it anyway
Wo-oh
Turn the night to day, yeah

Now it's not just I it's we
With a whole big world out there to see
Adventure comes in different shades and hues and
colours

Out and about I step with you
We see some lights
We paint them blue
The streets look fine as we decide to make them

orange

Paint the night away

[CHORUS (x2)]

Weâ€™re gonna paint the town

Turn it all upside down

Donâ€™t care what they say

Weâ€™re gonna do it anyway

Wo-oh

Turn the night to day

[INTERLUDE]

I donâ€™t care much for what they say

Rules are meant to be broken

I donâ€™t care for when or where or how high they say

we must jump

[CHORUS]

Donâ€™t care what they say, no

Let's do it anyway

Places to go

People to see

Just take a joyride with me, wo-oh

And turn the night to day

Lets do it anyway
