Mary had a little lamb  
Turns out it was all a scam  
She wiped them all out wham boom bam  
And no one even cried wolf

Georgy Porgy pudding pie  
Kissed some girls, he made them cry  
Their husbands waved them all goodbye  
And no one even cried wolf

Pink Chantilly lace gives the biggest of grace to a  
shadow  
And the bitch in a princess makes the wicked of witches  
look mellow  
So that's why I say

[CHORUS]  
Cry cry wolf  
For every little thing they say  
Cry cry wolf  
'Cos it ain't going your way  
Cry cry wolf  
But every dark has its day  
Cry cry wolf  
But there's no black and white, there's only grey

All the king's men  
And all their horses  
Couldn't settle any ugly divorces  
They wasted on their money on self help courses  
And no one even cried wolf

Old King Cole  
He sold his Soul  
To get two tickets to the Super Bowl  
But that night the Reaper was on Parole  
And no one even cried wolf

Pink Chantilly lace gives the biggest of grace to a  
shadow  
And the bitch in a princess makes the wicked of witches  
look mellow

So that's why I say

[CHORUS]

What have we all gone and done  
When we're happy we think we have won  
And there's really no difference in good or bad  
What's happy to you makes me sad  
And what's sad to you might make me glad  
What will it take to make you all see  
That there's a little truth and a little lie  
In every fantasy of mine

[CHORUS]
