[1st VERSE]

When itâ€™s do or die
Know that itâ€™s a lie
There is only shame
When you pass the blame
Its only an illusion

[BRIDGE]

Donâ€™t listen to them, play it in your head again, like
a broken record that you cannot mend
And when youâ€™re stuck in a dead end one-way
Remember these words that I know say

[CHORUS]

Get up from the floor
Walk right out that door
Stars are what weâ€™re made of
Look up to the blue
And you'll know it's true
Stars are what weâ€™re made of

[2nd VERSE]

Donâ€™t get in a slump
Where they make you wanna jump
It only leaves a lump
And monsters that go bump
It's just a little confusion

[BRIDGE]

[CHORUS]

Your authority they stole
You must take back your control
They are not your Jesus
Donâ€™t you let them get to you, thatâ€™s just what
they wanna do
So when youâ€™re stuck in a dead end one-way you
listen to these words I now say

[CHORUS (x2)]

Aaah
I wanna take away all of your aching
Aaah
Just you know youâ€™™ re a star in the making
Don't you know you're a star in the making
