All dressed up and waiting
And anticipating my fate
And youâ€™re late

Everybodyâ€™s looking
They all know whatâ€™s cooking and what?
Well I wait

You think I will rue the day
You told me to go away

I know something you donâ€™t know
What to do next
Where to go
I know something you wonâ€™t care
You donâ€™t have the guts to dare

Sitting there all big shot
Think you know a helluva lot
But youâ€™re not that hot

Dragging it all out
I roll my eyes and pout
And you lag
Youâ€™re a dragon

You think I will rue the day
You told me to go away

I know something you donâ€™t know
What to do next
Where to go
I know something you wonâ€™t care
You donâ€™t have the guts to dare

Open up your Pie Hole
Tell me what I already know
Iâ€™m on my way to go

Finally you speak
You go completely bleak
And I make it out through your stu-ta-ta-ter

You think I would rue the day
You think I would rue the day
Really? You think, I'd rue the day?
You told me to go away

But I know something you don't know
I'm happy to pack and go
I know something you won't dare
You don't have a heart to care

I know something you don't know
I'm happy to pack and go
I know something you won't dare
You don't have a heart to care

I know something you don't know
I'm happy to pack and go
And go
