VERSE 1

Don't have a camera in my hand
not living through no shots or lens
I'm gunna soak it up and make it while i can
not gunna sit back patiently
wait for life to come to me
i'm gunna live it up and make my own movie

PRE-CHROUS

I'm holding my heart up, diving in head first
i'm young and i'm fearless
i'm jumping with both feet, swimming in so deep
This is my life story!

CHORUS

Falling on my face, while running in this race
don't wanna ever look back, say i never did that
I know I'll get it worng, but i'll just laugh it off
don't want the colour, chaos, fireworks before me
to be my life story

VERSE 2

Not gunna slip in to no mould
won't find me doin' what i'm told
I'll be moshing every weekend
even when...i'm...old
And when it gets too quiet, i wanna start a riot
I see the sunrise but i'm still...not...tired

PRE-CHROUS

I'm holding my heart up, diving in head first
i'm young and i'm fearless
i'm jumping with both feet, swimming in so deep
This is my life story!

CHORUS

Falling on my face, while running in this race
don't wanna ever look back, say i never did that
I know I'll get it worng, but i'll just laugh it off
don't want the colour, chaos, fireworks before me
to be my life story

BRIDGE

Gunna sit at the back, get drunk, call back
Gunna jump on a plane, make New York, go insane
Wanna face full of shore, it won't be a bore
I'll be making history with my life story,
making history with my life story!!
...Cause I'd rather be...

CHORUS

Falling on my face, while running in this race
don't wanna ever look back, say i never did that
I know I'll get it worng, but i'll just laugh it off
don't want the colour, chaos, fireworks before me
to be my life story

My life, my life, this is my life story!
My life, my life, this is my life story!
