Then I come in, they go mad  
Hit my nose and hit my back  
Break my every single bone  
Throw me out just like a stone

It's the corner, it's the dress  
Small the town and big the mess  
That I cause with every step  
But still I walk, nonetheless

They're skipping backwards  
They're thrashing days  
Is that all they're believing in?  
Smash my head to make it spin

It won't change, so come with me  
Just with your eyes I will see  
Just with your arms I can hold  
And keep away them dump and cold
