Whatcha need,whatcha need girl huh?

Girl i know whatcha need tonight,
I know whatcha need tonight
I know whatcha need tonight,
I'll give it to you,give it to you,

X2

She is moving like a cheerleader chick,
She is a bitch,she is a diva,
She is dancing with a disco-stick
I don't care,what they say yeah,
I want this girl,i wanna dance with this girl
Life is gamble,i've got aces,so f. this world.

Girl i know whatcha need tonight,
I know whatcha need tonight
I know whatcha need tonight,
I'll give it to you,give it to you,

Give it to me baby,like an ice cream,
You gotta dance or have a nice dream
Kiss me,touch me,tease me,hug me,
Tonight is our night,i know you want me
Champaign poppin',ass droppin'
Everyday i'm hustlin' , still grindin'
C'mon just gimme a little bit fire,
I'm a money maker,i can make it rain!
This is the baddest music in town
You can hear it when i ride my Lincoln
I make hits,like Diddy and Akon,
Set my ringtone to your iPhone
All you m.fckaz think about me
Who the hell cares?I'm on TV
You can hear it also in W.C
Watch my video on MTV

Girl i know whatcha need tonight,
I know whatcha need tonight
I know whatcha need tonight,

I'll give it to you,give it to you.
