"On The Radio"

Blue eyes, a smile like the top of the sun,
Bright face, mistakes never looked this way,
Cos I wrote your name on this page and it's been there
ever since,
Lately I've been dancing in my sleep.

Cos our love is a sweet summer song,
It's better when you sing along.

I wanna hear that song on the radio,
So turn it up, turn turn it up,
I'll follow you just tell me where to go,
Just let me know, oh let me know,
Let me know,
Let me know,
Let me know.

I see your eyes in every city light,
They smile at me so bright,
And I still have every snapshot in my mind,
Cos you took my hand, wrote your name in the sand
and it's been there ever since,
And lately I've been dancing in my sleep.

Cos our love is a sweet summer song,
It's better when you sing along.

I wanna hear that song on the radio,
So turn it up, turn turn it up,
I'll follow you just tell me where to go,
Just let me know, oh let me know,
Let me know,
Let me know,
Let me know.

And when the summer's gone,
And every picture fades to grey,
I'll remember you when I hear our song on the radio.

I wanna hear that song on the radio,
So turn it up, turn turn it up,
I'll follow you just tell me where to go,

Just let me know, oh let me know,

I wanna hear that song on the radio,
So turn it up, turn turn it up,
I'll follow you just tell me where to go,
Just let me know, oh let me know,
Let me know,
Let me know,
Let me know.
