Jesus I have one simple prayer  
I'm asking You to take a message  
To the one who always cared  
She prayed for me when times were bad  
Sweet memories of the years we had  
I know this time is sad  
I'm so glad she's home

Tell her I love her for being my mother  
Tell her I miss her hug her and kiss her  
Tell her I'm pleased that she's gone home

Tell her she's special a glorious vessel  
Angels are singing Heaven's bells are ringing  
She's finally home praise God she's finally home

Jesus I have one simple prayer  
I'm asking You to take a message  
To the one who was always there  
She never lost her faith in You  
She always taught to believe in truth  
Now she's gone to be with You  
And I will carry on

Tell her I love her for being my mother  
Tell her I miss her hug her and kiss her  
Tell her I'm pleased that she's gone home

Tell her she's special a glorious vessel  
Angels are singing Heaven's bells are ringing  
She's finally home praise God she's finally home

She's free now and she sees now  
All the things that her heart desired  
To see God's face and to feel His power  
She receives now I believe now  
She'll never be alone, Oh no  
She's finally home

Tell her I love her for being my mother

Tell her I miss her hug her and kiss her  
Tell her I'm pleased that she's gone home

Tell her she's special a glorious vessel  
Angels are singing Heaven's bells are ringing  
She's finally home praise God she's finally  
home
