Don't cry for me
You broke heart in hand
Walk around empty minded
Touch and taste this is my regret (x2)

This is my regret

When I was young
I never told you:
You'll be my everything
My loves sold
My heart is bleeding
You'll be my everything (x2)

Don't cry for me
Your travelling down my soul
Re-bounce my heart and draw back
Look at how low down I've done wrong (x2)

Low down I've done wrong

When I was young
I never told you:
You'll be my everything
My loves sold
My heart is bleeding
You'll be my everything (x2)

Time is too late
What are you waiting for?
I'm far
I'm, far away from you

The time is too late
What are you waiting for?
I'm so far, I'm far away from you
I'm so far, I'm far away from you
I'm so far, far away from you...

When I was young
I never told you:

You'll be my everything
My loves sold
My heart is bleeding
You'll be my everything (x2)

I never told you:
You'll be my everything
You'll be my everything...
