How do I show
I'd do anything for you?
You don't even know
How much I adore you.
When all I can give you is my love
Your mind keeps changing
My heart can't keep up.

BRIDGE

Hopes up,
Guard down
You took your chance
and messed me around.

CHORUS

I don't wanna live another day without your love.
Don't tell me I'm not good enough.
Your power over me is dangerous.
And I don't wanna see the look that's on your face
The moment that you walk away
Don't tell me you don't feel this way.

I've fallen before
But never this far.
Take a look at what you
Have done to my heart.
I wouldn't wanna be
Anywhere else
Baby when I'm with you
I can't help myself.

BRIDGE

Hopes up,
Guard down
You took your chance
And messed me around.

CHORUS

I don't wanna live another day without your love.
Don't tell me I'm not good enough.
Your power over me is dangerous.
And I don't wanna see the look that's on your face

The moment that you walk away
Don't tell me you don't feel this way.

MIDDLE 8

How do you do
Oh, What you do to me?
How do you do to me
Oh, what you do?
How do you to me
Oh, what you do to me?
How do you do
What you do to me?
