

No Use For A Name "Complicated"

Visit "[Complicated](#)" on MotoLyrics.com

Uh huh, uh huh, uh huh
Life's like this
Uh huh, uh huh, that's the way it is

Chill out
Whatcha yellin' for
Lay back
It's all been done before
And if you could only
Let it be
You will see

I like you the way you are
When we're driving in you your car
And you're talkin' to me
One on one that you've become

Pre-Chorus:
Somebody else
From everyone else
You're watchin' your back
Like you can't relax
Tryin' to be cool
You look like a fool
To me
Tell me

Chorus:
Why'd ya have to go and make things so complicated
I see the way you're
Acting like you're somebody else
Gets me frustrated
Oh life's like this you
You fall and you crawl
And you break and you take what ya get
And you're turning into
Honestly
Promise me
I'm never gonna find you're faking
No, no, no

You come over unannounced

Dressed up like you're something else
Where you aren't where it's at
Ya see
You're making me
Laugh out when you strike a pose
Take off all your preppy clothes
You're not foolin' anyone when you've become

Pre-Chorus

Chorus

No, no, no
No, no, no
No, no, no

Chill out
Whatcha yellin' for
Lay back
It's all been done before
And if you could only
Let it be and you will see

Pre-Chorus

Chorus2x

No, no, no
