You don't wanna know what I know  
I know something about you  
What and when and where and who  
I don't wanna know what I know  
I never asked to  
Holding everything against you  
I'm put to the test  
Dirtier than the next  
Skin your knees, crawl to me  
Guaranteed, yes I am blind  
Suffer, survive  
Easy on the eyes, sew them shut sew them shut  
Nothing in your eyes, only smut ya so what  
Painted face, plastic eyes  
See right through  
Hit the lights  
In the dark watching you  
I'm put to the test  
Dirtier than the next  
Skin your knees, crawl to me  
Guaranteed, yes I am blind  
Suffer, survive  
Candy coated, paper thin  
Sliding down your throat  
So take your picture  
Where have you been  
Candy coated like the rest  
This one's rotting out  
The skills that you possess  
I'm not impressed  
Skin your knees, crawl to me  
If you are scum then what am I?
