You held my hand and walked me home, I know
Why you gave me that kiss
It was something like this and made me go oh oh
You wiped my tears got rid of all my fears
Why did you have to go?
Guess it wasn't enough
To take up some of my love
Guys are so hard to trust

Pre-Chorus:

Did I not tell you that I'm not like that girl
The one who gives it all away, yeah

Chorus:

Did you think that I was gonna give it up to you
This time
Did you think that it was something I was gonna do
And cry
Don't try to tell me what to do
Don't try to tell me what to say
You're better off that way

Don't think that you're charm and the fact that your arm
is now around my neck
Will get you in my pants
I'll have to kick your ass and make you never forget
I'm gonna ask you to stop
I thought I loked you a lot
But I'm really upset
So get out of my head
Get off of my bed
Yeah that's what I said

Pre-Chorus

Chorus

This guilt trip that you put me on won't
Mess me up I've done no wrong
Any thoughts of you and me have gone away

Chorus

I'm better off alone anyway
