I looked away
Then I looked back at you
You tried to say
Things that you can't undo
If I had my way
I'd never get over you
Today's the day
I pray that we make it through
Make it through the fall
Make it through it all

Chorus:

I don't want to fall to pieces
I just want to sit and stare at you
I don't want to talk about it
I don't want a conversation
I just want to cry in front of you
I don't want to talk about it
'Cause I'm in love with you

You're the only one
I'd be with 'til the end
When I come undone
You bring me back again
Back under the stars
Back into your arms

Chorus

Want to know who you are
Want to know where to start
I want to know what this means
Want to know how to feel
Want to know what is real
I want to know everything everything

Chorus2x

I'm in love with you
'Cause I'm in love with you
I'm in love with you
I'm in love with you
