Are you aware of what
you make me feel, baby
right now i feel invisible to you
like im now real
didn't you feel me lock
my arms around you
why'd you turn away
here's what i have to say

i was left to cry there
waitin out side there
grinnin with a lost stare
that's when i decided.....

why should i care
cause you weren't ther when
whin i was scared
i was so alone
you need to listen
im startin to trip
i'm losing my grip
and im in this thing alone

am i just some chick
you place beside you
to take somebody's place
when you turn around
can you recognize my face
you used to love me
you used to hug me
but that wasn't the case
everything wasn't ok

i was left to cry there
waiting outside there
grinning with a lost stare
that's when i decided.....

why should i care
cuase you weren't there
when i was scared
i was soo alone

you, you need to listen
i'm startin to trip
i'm losing my grip
and i'm in this thing alone

crying out loud
i'm crying ut loud
crying out loud
i'm crying out loud

open your eyes
open up wide

why should i care
cuase you weren't there
when i was scared
i was soo alone

why should i care
cause you weren't there
when i was scared
i was soo alone

why should i care
if you don't care
then i don't care
we not going anywhere

why should i care
cause you weren't there
when i was scared
i was soo alone

why should i care
if you don't care
then i don't care
we not going anywhere
