Oh oh, oh oh  
So much for my happy ending  
Oh, oh, oh oh  
So much for my happy ending  
Oh oh, oh oh  
Oh ohh

Let's talk this over  
It's not like we're dead  
Was it something I did?  
Was it something you said?  
Don't leave me hangin'  
In a city so dead  
Held up so high  
On such a breakable thread

Pre-Chorus:  
You were all the things I thought I knew  
And I thought we could be

Chorus:  
You were everything, everything that I wanted  
We were meant to be, supposed to be  
But we lost it  
All of the memories so close to me  
Just fade away  
All this time you were pretending  
So much for my happy ending  
You've got your dumb friends  
I know what they say  
They tell you I'm difficult  
But so are they  
But they don't know me  
Do they even know you?  
All the things you hide from me  
All the shit that you do

Pre-Chorus

Chorus

It's nice to know that you were there

So thanks for acting like you cared  
And making me feel like I was the only one  
It's nice to know we had it all  
So thanks for watching as I fall  
And letting me know we were done

Chorus2x

So much for my happy ending  
So much for my happy ending
