Please tell me what is takin place,  
Cuz I cant seem to find a trace,  
Guess it must have got erased somehow  
Probably cause I always forget,  
Everytime someone tells me their name,  
Its always gotta be the same.  
(in my world)  
Never wore cover up,  
Always beat the boys up,  
Grew up in a five thousand population town,  
Made my money by cutting grass,  
Got fired by fried chicken ass,  
All in a small town, in napanee.

You know I always stay up without sleepin,  
And think to myself,  
Where do I belong forever,  
In whose arms, the time and place

Chorus:  
Cant help it if I space in a daze,  
My eyes tune out the other way,  
I may switch off and go in a daydream,  
In this head my thoughts are deep,  
Sometimes I cant even speak,  
Would someone be and not pretend  
Im off again in my world!

I never spend less than an hour,  
Washin my hair in the shower,  
It always takes five hours to make it straight,  
So Ill braid it in a zillion braids,  
So it may take a friggin day,  
Theres nothing else better to do anyway.

When youre all alone in the lands of forever,  
Lay under the milky way,  
On and on its getting too late out,  
Im not in love this time, this night.

Chorus:  
Cant help if I space in a daze,  
My eyes tune out the other way,

I may switch off and go in a daydream,  
In this head my thoughts are deep,  
Sometimes I cant even speak,  
Would someone be and not pretend  
Im off again in my world!

(la la la la)

Take some time,  
Mellow out,  
Party it up,  
Dont fall down,  
Dont get caught,  
Sneak out of the house!

[chorus:]  
Cant help if I space in a daze,  
My eyes tune out the other way,  
I may switch off and go in a daydream,  
In this head my thoughts are deep,  
Sometimes I cant even speak,  
Would someone be and not pretend  
Im off again in my world!

Cant help if I space in a daze,  
My eyes tune out the other way,  
I may switch off and go in a daydream,  
In this head my thoughts are deep,  
Sometimes I cant even speak,  
Would someone be and not pretend  
Im off again in my world!
