I couldn't tell you
Why she felt that way
She felt it every day
And I couldn't help her
I just watched her make the same mistakes again

Whats wrong whats wrong now
Too many too many problems
Don't know where she belongs
Where she belongs

Chorus:
She wants to go home
But nobody's home
That's where she lies
Broken inside
With no place to go
No place to go
To dry her eyes
Broken inside

Open your eyes
And look outside
Find the reason why
You've been rejected
Now you can't find
What you've left behind
Be strong be strong now
Too many too many problems
Don't know where she belongs
Where she belongs

Chorus

Her feelings she hides
Her dreams she can't find
She's losing her mind
She's falling behind

She can't find her place
She's losing her faith
She's falling from grace

She's all over the place yeah

Chorus

She's lost inside lost inside

Oh ohh

She's lost inside lost inside

Oh ohh
