Bust!  
Not important - not to me, not to you  
This is always something we always have to go through  
Fuck what they said  
If you believe what you hear,  
You deserve what you were fed  
Please don't waste my time  
Don't ask me if it's true  
I'll just tell you what you want to hear  
And hope trouble finds you  
Can't figure it out, I don't care  
You gotta believe what they say  
That's all that you should hear - Bullshit everyday  
Please don't waste my time  
Don't ask me if it's true  
I'll just tell you what you want to hear  
And hope trouble finds you  
Everybody knows and everybody talks  
Everybody sees but no ones saying nothing  
Its no use - get a clue  
It's time that someone fuckin told you  
Take apart what I say  
You change nothing anyway  
Are you done?  
Nice try  
Heard it before,  
Goodbye
