A moment a look and it's fucking gone.
The story of my fucking life.
I see others so close together
And i'm left to look with a fucking mirror.
Look but no touch.
I see this shit and i lose my cool.
Life is looking endless and I'm here looking alone.
Time will tell me if this is the way it goes.
Because how the fuck am I supposed to know.
A losing streak and a lame excuse is way I walk away
from you.
A chance I don't want to take, a choice i don't want to
make.
Timing is everything and i wont make the same
mistakes.
Flying with broken wings
And i didn't think i had what it takes. fuck you.
