I cannot find a way to describe it
It's there insinde
All I do is hide
I wish that it
Would just go away
What would you do
You do if you knew
What would you do

Chorus: All the pain
I thought I knew
All the thoughts lead back to you
Back to what was never said
Back and forth
Inside my head
I can't handle this confusion
I'm unable
Come and take me away

I feel like I'm
I'm all alone
All by myself
I need to get around this
My words are cold
I don't want them to hurt you
If I tell you
I don't think you'd understand
'Cause no one understands

Chorus

I'm going nowhere on and on and
I'm getting nowhere on and on and on
I'm going nowhere on and on and off
and on and off and on

Chorus

Take me away
Break me away
Take me away
