Everything I've tried has been worthless
And I don't want to die in search of something better
Dropped the ball and threw the towel in
Walked the fence and failed the challenge

This ain't no way to live
This ain't no way to live

This is not the way things are supposed to be I noticed
Maybe it's just me but it really seems it's hopeless
Things are not the way I planned them
Avoid disasters, but they still happen

Dropped the ball and threw the towel in
Failed the challenge

This ain't no way to live
This ain't no way to live

I don't know where things went wrong
Maybe I'll move to North Korea
Run away and never see again

This ain't no way to live (Don't know where things went
This ain't no way to live (Don't know where things went
wrong)
