[girl:]

I love you my hard englishman
Your rage is like a fist in my womb
Can't you forgive what you think I've done
And love me, I'm your woman

And I desire you my hard englishman
And there is no more natural thing
So why should I not get loving
Don't be cold englishman

[guy & girl:]

how come you never said you love me
in all the time you've known me
how come you never say you're sorry

[girl:]

i do
Oh please talk to me englishman
What good will shutting me out get done
Meanwhile crazies are killing our sons
Oh listen, englishman

I've honored you hard englishman
Now I am calling your heart to my own
Oh let glorious love be done
Be truthful englishman

[guy & girl:]

how come you never said you love me
in all the time you've known me
how come you never say you're sorry

[girl:]

i do
i do
