Oh oh oh oh

You had me thinking like a purple ocean
Oh, what a line for me to start this song
You may be sleeping by an open door
And you may be saying that these words are wrong

Take a look at my new toy
It'll blow the head off of a boy

Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone

You had me thinking in a backwards motion
You use no scope to smell you daddy's breath
She does not choose to use no suntan lotion
If you don't like the words, then you can guess

Take a look at my new toy
It'll blow the head off of a boy

Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone

Where you wanna be, can't you ever see?

Oh, truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone
Truth hits everybody, truth hits everyone, oh
