Give me 50 cents to start again  
Give me 50 cents to play the game  
Morphine, caffeine, taking nicotine  
Baby would you like to see me drain?  
Â  
Let me judge whatâ€™s wrong or right  
Baby let me your toil for a night  
Wonâ€™t you lie to me one more time tonite  
In these days of wine & roses  
Â  
Do you think Iâ€™m just a teenage dumb?  
Pretty little boy who sucks his thumb  
Clothes and paper all over the place  
but I donâ€™t want to stay in your jewel case  
Â  
Let me judge whatâ€™s wrong or right  
Baby let me your toll for a night  
Wonâ€™t you lie to me one more time tonite  
In these days of wine & roses
