You can walk a hundred thousand miles  
 to see where you belong  
 but all you feel around tonight  
 is nothing but the road  
 you can see one hundred thousand suns creeping from  
 below  
 but somehow thereâ€™s got to be one way out  
 talking â€˜bout your home  
 And when youâ€™re tired, wake your guitar, put fire on  
 I donâ€™t know how Iâ€™ll feel you play, Iâ€™ll find  
 the road  
 I can sink down in the quicksands  
 Selling breathings to this world  
 But all I feel around tonightâ€™s the wind that steals  
 â€˜em all  
 I can stand still in the desert buyinâ€™ illusions in the  
 shade  
 Of an oasis full of â€œI wantâ€™sâ€  
 But so lack of yesterdays  
 And when Iâ€™m tired I pick my harmonica to show  
 you  
 Donâ€™t need sign to close your eyes and find the  
 road  
 Just two lonely pilgrims searching for the final proof  
 Hanginâ€™ in the night somebody calls  
 Wasted in a landscape where the gloom climbs to the  
 throne  
 I can tell them colors from this dark around  
 I need a home  
 Weâ€™ve to walk two separate ways at this crossroad  
 of our lives  
 Sure itâ€™s been a magic ride it hurts so sad to say  
 goodbye  
 We have lived what our eyes know  
 that any word could never tell  
 so this songâ€™s the only way out  
 to be home once more my friend  
 And when weâ€™re tired  
 Weâ€™ll always have something that no oneâ€™s  
 I donâ€™t know how Iâ€™ll feel you play, Iâ€™ll find  
 the road  
 â€˜Cause when weâ€™re tired

weâ€™ll always have something that no oneâ€™s  
I donâ€™t know how youâ€™ll feel me play, youâ€™ll  
find the road  
I donâ€™t know how lâ€™ll feel you play, lâ€™ll find  
the road, boy  
I donâ€™t know how youâ€™ll feel me play, youâ€™ll  
find the road  
I donâ€™t know how lâ€™ll feel you play, lâ€™ll find  
the road, boy  
I donâ€™t know how lâ€™ll feel you play, lâ€™ll find  
the road  
Find the road  
Find the road  
Find the road
