Someone is still runnin'™ Â Â bravely through the
fields
Yet he hasn't noticedÂ Â Â Â others disappeared
He forgot the crampsÂ Â Â Â cannot feel the sweat
No time for surrenderÂ Â Â when you run towards
yourself
Corridors behind him,Â Â Â they threw up the sponge
Yet they haven't noticedÂ Â Â someone's
running on
He rebelled to the labels,Â Â Â he jumped the
loser's fence
Breathing his own victoryÂ Â Â he felt the freedom in
the air
Â
And you runÂ Â and don't look back
In this marathon called life just go ahead
But where you run limits can't be found
Even if you're not the favourite, gotta run
Â
Run for you, for all your dreams
Run for ones who still believe in life
By risking everything just to chase their liberty
Â
Let's runÂ Â and don't look back
In this marathon called life just go ahead
But where you run limits can't be found
Even if you're not the favourite, gotta run
Â
Where do you run?
Where do you run?
Â
â€¦Someone is still runnin'™
