Carry me away
Into the morning
Carry me away
Across the sea

We will find a way
A perfect order
Fly into the day
Horizon seen

Girl you are my
Bread and Butter
Girl you are my
Warmest day

The road ahead is
Wide and open
This world is our
Golden day

The sky is bright and clear
The sun to guide us
All things far and near
Come to bear

Girl come take my hand
Walk the water
Our feet in precious sand
Eternally

Girl you are my
Bread and Butter
Girl you are my
Warmest day

The road ahead is
Wide and open
This world is our
Golden day

Carry me away
Into the morning

Carry me away
Across the sea
