Just yesterday, I saw you walking  
Just yesterday, I saw you talking  
Thatâ€™s the day, I saw you walking  
Thatâ€™s the day, I saw you talking

You lead, and they will follow  
You speak, and they will follow  
You lead, and they will follow  
You speak, and they all follow

Tell me now, whatâ€™s your secret  
Tell me now, whatâ€™s your secret  
Tell me now, whatâ€™s your secret  
Tell me now, whatâ€™s your secret

Dodgy Collar

Yesterday, I saw you walking  
Way back when, I heard you talking  
Yesterday, I had it for you  
Way back when, I gave it to you

You lead me, and I sure followed  
You said to me, a line I swallowed  
You lead me, you know I followed  
You spoke to me, a line I swallowed

They tell me now, thatâ€™s your secret  
They tell me how, thatâ€™s your secret  
They tell me now, thatâ€™s your secret  
They tell me how, thatâ€™s your secret

Dodgy Collar  
Make you holler  
She strut  
Bring in the dollar

Remember when, I saw you walking  
Remember when, I heard you talking  
Remember when, I had it for you  
Remember when, I gave it to you

You fell down, and they stopped walking  
You slipped down, and they canâ€™t hear you  
You fell down, nobodyâ€™s walking  
You fell down, everybodyâ€™s talking

What a shame, I know your secret  
What a crime, that old secret  
What a shame, I told your secret  
What a crime, to know that secret

Dodgy Collar  
Make you holler  
She strut  
Bring in the dollar
