Oh I see you laughing
And you make me happy
Now I see you standing
And my feet are flying

Come now will you spin w/ me
You know I want to spin w/ you
Then tell me won't you spin w/ me
I know I'll always spin with you

Oh my feet are flying
Now my heart is flying
Warm electricity
And you make me happy

Oh girl won't you spin w/me
You know I'll always spin with you
Oh girl let's spin together
Our world electricity

Oh I see you laughing
And you make me happy
Now I see you standing
And my feet are flyin

Come now will you spin w/ me
You know I want to spin w/ you
Then tell me won't you spin w/ me
I know you'll always spin with me

Oh my feet are flying
Now my heart is flying
And you make me happy
Warm electricity

Come now will you spin w/ me
You know I want to spin w/ you
Come now will you spin w/ me
You know I want to spin w/ you
Come now will you spin w/ me
You know I want to spin w/ you
Come now will you spin w/ me

You know I want to spin w/ you
