If thereâ€™s gonna be a little quiet on this planet
Then tell me when
If weâ€™re gonna have a little peace and quiet
Then tell me when
If weâ€™re gonna feed the hungry one
Then tell me when
If theyâ€™re gonna live free of pain and hurt
Then tell me when

If weâ€™re gonna make a little shelter for our brothers
Then tell me when
If weâ€™re gonna wash their eyes with sight
Then tell me when
If weâ€™re gonna block the bullets with our bodies
Then tell me when
If weâ€™re gonna give everything we have
Then tell me when

If weâ€™re gonna make a little peace, a little quiet
Then tell me when
If weâ€™re gonna save our sky and our mother
Then tell me when
If weâ€™re gonna tell the truth when we talk
Then tell me when
If a man and a woman can speak the truth
Then tell me when

If weâ€™re gonna make some comfort for our children
Then tell me when
If weâ€™re gonna keep a coin in our pocket
Then tell me when
If weâ€™re gonna save the lonely child
The tell me when
If weâ€™re gonna save the lonely children
Then tell me when

If I can stand and live for the better
Then tell me when
If my heart is greater than all my worry
Then tell me when
If thereâ€™s hope today and tomorrow
Then I know when

If I can start today and tomorrow
Then I know when
