She will give you lots of warning
She won't give you any warning
She don't paint no pretty pictures
She can paint some pretty pictures

She will give you lots of warning
She won't give you any warning
She don't paint no pretty pictures
She can paint some pretty pictures

You know I've tried to
Tell you what your rights are
You know I've tried to
Paint you dirty pictures

You know I've tried to
Re-inform you
Now I'll sell you
What your other right is

She don't take no wore down prisoners
She will take you last dog captive
She don't count no daily losses
She just marks them off

She don't take no wore down prisoners
She will take you last dog captive
She don't count no daily losses
She just marks them off

You know I've tried to
Tell you what your rights are
You know I've tried to
Paint you dirty pictures

You know I've tried to
Re-inform you
Now I'll sell you
What your other right is

She's been seen to walk on water
She's been known to drink the water

Sheâ€™s been seen swimming with you
Sheâ€™s been seen without

Sheâ€™s been known to take your body
Sheâ€™s been known to heal your body
Sheâ€™s got plans to hurt your hearing
Sheâ€™s got hands to ease the pain

You know Iâ€™ve tried to
Tell you what your rights are
You know Iâ€™ve tried to
Paint you dirty pictures

You know Iâ€™ve tried to
Re-inform you
Now Iâ€™ll sell you
What your other right is

She donâ€™t count no daily losses
She donâ€™t count no daily losses
She donâ€™t count no daily losses
She just marks them off
