Todays The Day  
When we say I do  
and I want all the world to know  
how much I love you  
I never thought that I would find  
another heart to beat with mine  
Takes my breath away  
Todays The Day

(Chorus)  
Todays The Day  
we start our life together  
Every day and every night  
now thru forever  
You have put me on top of the world  
and you are right there with me girl  
takes my breath away  
Todays The Day  
(End Chorus)

Todays The Day  
you walk down the aisle  
and I want all the world to see  
the love that is in your smile  
I thought that love had passed me by  
Till I found it in your eyes  
Takes my breath away  
Todays The Day

(Chorus)  
Todays The Day  
we start our life together  
Every day and every night  
now thru forever  
You have put me on top of the world  
and you are right there with me girl  
takes my breath away  
Todays The Day  
(End Chorus)

You put me on top of the world  
and you are right there with me girl

Takes my breath away  
Todays the Day

You put me on top of the world  
and you are right there with me girl  
Takes my breath away  
Todays The Day

Girl you take my breath away  
Todays The Day
