Four thou', 39 killowatts

Drop lyric

Eternal thoughts combine, bluh blah, supersonic courts  
Colt .45's amped up; gates pump, compressors leak  
Maximum out-strength the bass meter stretch a length  
JBL Dolby's ADAT's Ampegs transfer to the wax  
Sinister 6000 new rap styles I be housin  
My style is Europe freestyles that pump in Amsterdam  
with the Mackey 32 expanding ? pro tools  
Stadiums packed with speakers, 50,000 people  
Digital formats with Sony amps pumpin equal  
With rapid-fire no joke I burn your crew for hire  
with big dynamics on this automic, aerobics  
Female vocals choke, them highs get them systems  
broke  
Buy software that's industrial, metal hardware  
Vocal rack 4000  
Ulysses X-2 warp compounds like high-tech voodoo  
Sequence ranges strange like maggots growing in  
your brains  
8,000 bugs crawling on your skin, I'm back again my  
friend  
Sinister 6000, 5 11 seven thousand  
Black monsters in the house  
Who wanna step to the Invisible Man  
as I chamber, lock you in command

{\*the rest is instrumental and samples of Kool Keith

saying "sort of.. break it.. down like this"\*}
