(Jamo)

You aint gotta say to much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)

And you ain't gotta call me your boo,  
just as bad as you wanna fuck  
I wanna fuck too

(Jamo)

No, No, No  
you ain't gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)

And you ain't gotta call me your boo,  
just as bad as you wanna fuck,  
I wanna fuck too

(Mac)

Now you aint gotta say much  
cuz i was peepin you  
Lookin at your hips got me thinking  
about how deep in you I'm tryin to go  
you heard about No Limit Soldiers  
We get upin it and hit it harder than De La Hoya  
I thought I told you soldier draws  
Cover my balls  
Im known for ripping the pussy walls  
I heard you got that kill  
I can see it all in your grill  
Can you ride me like a black Mercedes?  
and make me do that shit i never did with other ladies  
I got a woman so im not lookin for love  
I jus wanna fit your glove  
get a couple of uh uh's  
and I'm out jus like a thug and uh  
hit me on my pager if you want it  
It's solider passion  
so get up on it if you want it (whoa)

(Jamo)  
You aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you aint gotta call me your boo  
Jus as bad as you wanna fuck  
I wanna fuck too

(Jamo)  
No,No,No  
you aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you ain't gotta call me yo boo,  
just as bad as you wanna fuck,  
I wanna fuck too

(Mercedes)  
Put me on the counter in the kitchen  
now baby cool my body with some ice cream  
lick me from head to toe  
bending me over  
69 will be the next thing  
i wanna taste your body  
all night long  
from sun up to sun down  
I wanna make you moan

(Jamo)  
You aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you aint gotta call me a boo  
Jus as bad as you wanna fuck  
I wanna fuck too

(Jamo)  
No,No,No  
You aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you ain't gotta call me yo boo,

just as bad as you wanna fuck  
I wanna fuck too

(Jamo)  
Can I light a candle?  
And kiss you in the places light wont show  
Ill take my time and do it slow  
Ill do my oral exercises,  
right between your thighs  
its so very pleasurable  
i'll go places he wont go  
lets keep it on the low low  
so he wont know  
now lets take it to the floor

(Jamo)  
You aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you aint gotta call me a boo  
jus as bad as you wanna fuck  
I wanna fuck too

(Jamo)  
No,No,No  
you aint gotta say too much  
from the look in your eyes  
I can tell you wanna fuck

(Mercedes)  
And you ain't gotta call me a boo  
just as bad as you wanna fuck  
I wanna fuck too
