You spurn my natural emotions
It makes me feel like dirt
And I'm hurt
If I start a commotion
I run the risk of losing you
And that's worse

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

There's one thing much of a future
Unless we find out what to blame
What a shame (oh what a shame)
And we can't be together
Until we realize that we are the same

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

Ever fallen in love with someone

Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

You spurn my natural emotions
It makes me feel like dirt
And I'm hurt
If I start a commotion
I run the risk of losing you
And that's worse

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with

Ever fallen in love with someone
Ever fallen in love
In love with someone
Ever fallen in love
In love with someone
You shouldn't've fallen in love with
