(Depeche Mode) When I'm with you baby

I go out of my head

I just can't get enough

I just can't get enough

All the things you do to me

And everything you said

I just can't get enough

I just can't get enough

We slip and slide as we fall in love

And I just can't seem to get enough We walk together

We're walking down the street

I just can't get enough

I just can't get enough

Everytime I think of you I know we have to meet

I just can't get enough

I just can't get enough

It's getting hotter, it's a burning love

And I just can't seem to get enough And when it rains

You're shining down for me

I just can't get enough

I just can't get enough

Just like a rainbow

You know you set me free

I just can't get enough

I just can't get enough

You're like an angel and you give me your love

And I just can't seem to get enough.
