"Let Me Go"

Once there was a day, we were together all the way
An endless path unbroken
But now there is a time, a torture less sublime
Our souls are locked and frozen

Let me go
Let me go

I tried but could not bring the best of everything
Too breathless then to wonder
I died a thousand times, found guilty of no crime
Now everything is thunder

Daytime, all I want is nighttime
All I want is nighttime, I don't need the daytime

Once we were years ahead
But now those thoughts are dead, let me go
(Let me go)
All hopeless fantasies are making fools of me, let me
go

I walk alone and yet I never say goodbye, let me go
(Let me go)
A change of heart, a change of mind
And heaven fell that night, let me go

The best years of our lives, the hope of it survives
The facts of life unspoken
The only game in town, I'll turn the last card
down
And now the bank is broken
