Written by Neil Young

Once I thought I saw you in a crowded hazy bar,  
Dancing on the light from star to star.  
Far across the moonbeam I know that's who you are,  
I saw your brown eyes turning once to fire.  
You are like a hurricane  
There's calm in your eye.  
And I'm gettin' blown away  
Somewhere safer where the feeling stays.  
I want to love you but I get so blown away.  
I am just a dreamer, and you are just a dream,  
You could have been anyone to me.  
Before that moment you touched my lips  
That moment when time just slips away,  
Between us on our foggy trip.  
You are like a hurricane  
There's calm in your eye.  
And I'm gettin' blown away  
To somewhere safer where the feeling stays.  
I want to love you but I get so blown away.  
Yeah yeah, hi hi, yeah, blown away  
Yeah yeah, hi hi, yeah.  
I am just a dreamer, and you are just a dream,  
You could have been anyone to me.  
Before that moment you touched my lips  
That moment when time just slips away,  
Between us on our foggy trip.  
You are like a hurricane  
There's calm in your eye.  
And I'm gettin' blown away  
To somewhere safer where the feeling stays.  
I want to love you but I get so blown away.
