Heal me, I'm heartsick
I'm hungry and I'm broken
I'm haunted, and weeping
The blood of heaven flowing like a river tonite, tears I
can't fight on my own
I'm a haunted, heaving, I'm hung and barely breathing
The drowning ocean, snuff the sun in motion.
There's a pill on my tongue, a shot from a gun, the
bottles' bottom
I'm lonely as a star

(Chorus)

So heal me, I'm heartsick
Hungry, but I can survive on you
Heal my heartsick hungry cries
I'm heartsick

Father, free me. Mama, woman, feed me.
Child of fury, lost his way but don't worry.
I won't stop 'til the dawn,
Though I'm in too long on the run I grow strong and
restless as a storm

(Chorus)

guitar solo

Heal me
I'm heart sick
I'm hungry and I'm broken
I'm haunted, and weeping
The blood of heaven flowing like a river tonite
Tears I can't fight on my own

(Chorus)x2
