Heal me, I'm heart sick
I'm hungry and I'm broken
I'm haunted, And weeping
The blood of heaven flowing like a river tonight
Tears I can't fight on my own

I'm haunted, I'm heaving, I'm hung and barely
breathing
The drowning ocean, Snuff the sun in motion
There's a pill on my tongue, A shot from a gun,
the bottles bottom
I'm lonely as a star

(Chorus)
SO heal me, I'm heart sick
Hungry, But I can survive on you
Heal my heart sick hungry cries
I'm heart sick

Father, Free me, Mama, Woman, Feed me
Child of fury, Lost his way but don't worry.
I won't stop til the dawn,
Though I'm in to long on the run I grow strong
and restless as a storm

(Chorus)

Heal me
I'm heart sick
I'm hungry and I'm broken
I'm haunted and weeping
The blood of heaven flowing like a river tonight
Tears I can't fight on my own

(Chorus) X2
